THE DETAILS

All Toppers Dough-Nation Nights will take place on a week day anywhere between the hours of 4pm and 9pm.

All promotional materials must be approved by Toppers Pizza and must display the Toppers Pizza logo.

Toppers will supply your organization with a flyer. Your organization assumes all responsibility of printing, copying, flyer distribution, and for any costs associated with advertising and promotion. A image for social media will also be supplied.

Customers must mention the fundraiser or use code on online orders in order to receive credit for the order.

Checks will be available within two weeks after the event date and can be picked up at your local Toppers Pizza location or can be arranged to be mailed to a contact person within your organization.

Organizations may host up to 3 Dough-Nation Nights per year.

Although Toppers Pizza encourages all stores to participate in fundraisers, it's up to each individual location to determine if they are able to participate. Please contact your local Toppers Pizza to confirm if they offer fundraisers.

Failure to comply with Toppers Team Members or the above guidelines may result in forfeiture of donation.
